## SATISFACTION GUARANTEED

**ALTHOUGH** the summer of 1930 will go down in history as the hottest and driest country-wide, in this section we had occasional showers and enough rainfall later to mature our usual fine crop of bulbs. We appreciate the orders from new friends and those who come back year after year; also thank you for the many fine letters of appreciation for the high quality of bulbs and satisfying results. Our aim is to send out only the best and such as we would be satisfied with were we the purchasers. Errors sometimes occur. At all times we stand ready to not only rectify but add enough extra to make up for the adjustment.

**MANY** new varieties are coming out each year, too many, for only a few are improvements. We offer the best of the old favorites and such newer ones as trials so far seem to warrant offering you. We recommend the large white ALBATROSS, glorious AMETHYST, APRICOT GLOW, AVE MARIA. BERTY SNOW always attracts. BETTY NUTHALL, though late, is a grand thing. CAMBERRA is a grand yellow. CAROLUS CLUSIUS may be hard to say but not hard to look at. DOROTHY VAUGHAN and EDITH MASON are refined pinks. HEAVENLY BLUE is down in price. JEAN DU TAILLES is an aristocrat, JOERG'S YELLOW a most delightful shade of yellow. LOYALTY is one of the best. MARMORA should be in your collection; nothing like it or as good in smoky shades. MINUET is always at the speaker's table. MRS. KONYNENBURG, PFITZER'S TRIUMPH, PRIDE OF WANAKAH, PRIMROSE PRINCESS, RITA BECK, wend their way onto visitors' lists, and RODERICK DHU takes command of the situation wherever he is. SPHINX, VEILCHENBLEU, YELLOW PERFECTION and YVONNE are worthy of mention. W. H. PHIPPS, though around for some time, seems to be having his innings now.

**IF** in doubt as to varieties, send me the amount you desire to spend and an idea of your color favorites and I will put up a collection that I am sure will please. Have had great success in doing this for customers.

**ORDERS** are prepaid at these prices. Orders less than a dollar not accepted for mailing because of loss. On cash orders we make a practice of putting in choice extras to at least 10% of the order. If interested in some particular variety kindly state and we will endeavor to supply.

**REMITTANCE** with orders. 25% deposit will hold order until desired time of shipment. Six bulbs at dozen rate, 25 at 100 rate, 250 at 1000 rate, 1000 at 9 times 100 rate.

**EXTRAS** for names of your flower-loving friends, new to my list. Get your friends to put in order with you and take advantage of 100 rate.

**STOCK** is clean and healthy and guaranteed true to name. LARGE are  $1\frac{1}{4}$  in. up and give best bloom. MEDIUM are  $\frac{3}{4}$  to  $1\frac{1}{4}$  in. and will bloom. SMALL run mostly  $\frac{1}{2}$  to  $\frac{3}{4}$  in. and some will bloom. Generous sizes.

**THOSE** who purchase bulbs at our store will be given extras up to amount of shipping costs.

**IMPORTANT:** Next season the largest part of our planting will be located on Riverdale Street, West Springfield, the main thoroughfare north from Springfield, where we will welcome visitors to our "up to the minute" Display Garden.
